Objective

Recent Computer Science graduate with a strong technical foundation seeking an entry-level position in software development, data science, or emerging technology domains. Proficient in multiple programming languages and technologies, with a passion for solving complex problems and adapting to innovative challenges.

Education

King Abdulaziz University, Jeddah, Saudi Arabia
Bachelor in Computer Science

2020 – Jan 2025

- **GPA:** 4.60/5.0
- **Track:** Software Engineering Track

Training

Full Stack Web Developer Intern, Jeddah Advanced Driving School

June 2024 – Aug 2024

- Redesigned company website pages improving UI/UX and mobile responsiveness
- Developed full-stack functionality for trainee management system using PostgreSQL
- Implemented CRUD operations for trainee data management
- Tools Used: **HTML, CSS, JavaScript, PostgreSQL**

Projects

GeoVision Explorer

- Winner, Faculty Poster Day - Senior Project
- Led frontend development, backend integration, and Flask-based model deployment
- Developed mobile application for interactive geometry learning
- Integrated computer vision for real-time object measurement
- Tools Used: **Flutter, Firebase, YOLOv5, OpenCV, Flask, Python, TorchVision, rembg**

Eye Disease Analysis System

- Developed a web-based system for analyzing eye images using deep learning.
- Implemented image classification, object detection, and segmentation to detect eye diseases.
- Utilized advanced models like YOLOv8 and Faster R-CNN for accurate medical image processing.
- Tools Used: **Python, YOLOv8, Faster R-CNN, Flask, HTML, CSS.**

Portfolio Website

- Designed and developed a personal portfolio website to showcase projects and skills.
- Built using modern web technologies with a responsive and interactive UI.
- Tools Used: **React, HTML, CSS, JavaScript.**

Skills

Technical Skills: • Java • Python • Flutter • Firebase • HTML • CSS • JavaScript • Django • Flask

Soft Skills: • Problem-solving • Team collaboration • Communication • Time management • Adaptability • Quick learner
